No traffic
sign display

The sign has both a blank speed and message when there is no vehicle actuation of the sign device.

Under speed
sign display

The sign displays the approach speed of a vehicle along with a "THANK YOU" message, when that vehicle is travelling at a speed less than that set by sign device.

Less than or
equal to 10km/h
over speed
sign display

The sign displays the approach speed of a vehicle along with a "SLOW DOWN" message, when that vehicle is travelling at a speed up to **10 km/h** greater than that set by sign device.

Greater than
10 km/h
over speed
sign display

The sign displays only the "SLOW DOWN" message when an approaching vehicle is travelling at a speed greater than **10 km/h** over that set by sign device.
