

* Insert appropriate description and year that revegetation was undertaken.

Examples include:

WETLAND - 2003

EUCALYPT FOREST-2003

RAIN FOREST - 2003

GRASSLAND - 2003

BRIGALOW - 2003

Note: This sign was developed in response to a request from Regional Environmental Officer (Southern) in response to issues associated with:

- inconsistent revegetation signage
- how to incorporate community and private organisations logos on revegetation signage
- communicating environmental messages in simple terms to the travelling public

It is to be used for all tree planting in the road reserve not associated with a road project or routine operations. If it is to be used in association with a road project, the matter should be discussed with the Regional Environmental Officer.

Colour Legend

Retroreflective green (legend and border)

Retroreflective white (background)
