#### Notes:

#### Colour Legend

- Retroreflective white
- Retroreflective blue

1. This sign may be used at emergency stopping bays that do not have emergency phones located at that site. It should replace any existing G7-13 signs that may be located at a site that no longer has a help phone.
2. For bays where help phones are available, the G7-13 sign should be used.
3. Refer to TC2239\_2 for site identification plate option if required.
