

Notes

1. This sign informs waterway users that fixed cameras are used to monitor vessel operations in the area.
2. The sign may only be erected at locations approved by Maritime Safety Queensland within the Department of Transport and Main Roads. Contact the nearest regional office of Maritime Safety Queensland for the approval process.
3. The sign should only be erected where contraventions of marine safety or marine pollution requirements are known compliance issues.
4. The sign may be erected near public marine facilities.
5. For optional camera sign refer to MS1023_2.
