

Colour Legend

- Black
- Retroreflective red
- Retroreflective white

Notes

1. Sign is hinged in the middle as shown.
2. Use "ROAD CLOSED" where the road closure point (barrier boards and signs etc. are located), can be seen from the required location of this sign. If the road closure point is not visible from the location of this sign, use the "ROAD CLOSED AHEAD" top panel detailed in TC1523.
3. Suitable weather proof hinge to be installed on hinge line.
4. Cut slots in flaps and fit corresponding staples and slots for security padlocks.
