Notes

1. This sign may be installed to notify motorists of the unavailability of fuel along a route and at a designated town / location.
2. * Size may vary with longer location names.
3. ** Insert appropriate town / location name. E.g SPRINGBROOK
4. *** Insert appropriate distance of the round trip back to a location where fuel may be obtained. E.g. 76.
5. Consider the use of G7-10-1 (NO FUEL NEXT x km) in lieu of this sign where appropriate.
