

TC1980(L)

TC1980(R)

Notes

1. This sign to be used in advance of a heavy vehicle detour where heavy vehicles can not use the through route. It shall be used with appropriate intersection guide signs, e.g. G9-5-2 or larger sized G9-5-2 Q01).
2. This sign should only be used in conjunction with R6-4 erected on the immediate approaches to the restricted section.
3. Use left and right option as required.
4. *Insert appropriate distance, e.g. 300m.

Colour Legend

- Black
- Retroreflective white
