

TC2016_L

TC2016_R

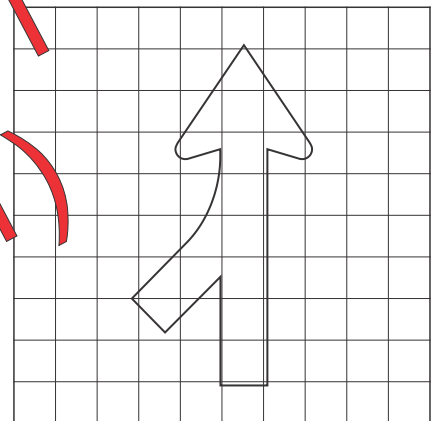

TC1217
Example

Colour Legend

- Retroreflective yellow (background)
- Black (legend, symbol)

Notes:

1. This sign plate is to be used in a multi message sign to inform road users that traffic may be merging from a side road that is within a construction work area.
2. Use appropriate left TC2016(L) or right TC2016(R) option as required.
