Retroreflective brown

Retroreflective green

Example

Notes:

1. This sign may be used to advise of an exit on a motorway that leads to a nearby local tourist area that is also an access point to other tourist destinations.
2. Image is to be a single high resolution image printed on a transparent or Class 1W retroreflective background.
3. The image must be approved and supported by the relevant Regional Tourism Organisation (RTO) and Local Government.
4. Photoluminescent overlay film recommended.
5. A destination name may be used to assist drivers to travel to a tourist area. The destination name would generally already have good location signage and the tourist area should be signed from or near this destination point.
6. **Insert appropriate place of interest name. e.g. BRIBIE ISLAND.
7. ***Insert appropriate tourist area accessed from the place of interest. e.g. PUMICESTONE PASSAGE & MORETON BAY.
8. ***Insert appropriate exit number. e.g. 152.
9. When a shorter place of interest name is used, its legend may be increased to 320D, and if possible, the image width should be returned to the standard 67% of sign. Refer TC2249_1.

Notes:

1. This sign may be used to advise of an intersection that leads to a nearby local tourist area that is also an access point to other tourist destinations.
2. Image is to be a single high resolution image printed on a transparent or white Class 1W retroreflective background.
3. The image must be approved and supported by the relevant Regional Tourism Organisation (RTO) and Local Government.
4. Photoluminescent overlay film recommended.
5. A destination name may be used to assist drivers to travel to a tourist area. The destination name would generally already have good location signage and the tourist area would be signed from or near this destination point.
6. *Insert appropriate place of interest name. e.g. BRIBIE ISLAND.
7. **Insert appropriate tourist area accessed from the place of interest. e.g. PUMICESTONE PASSAGE & MORETON BAY.
8. #Insert appropriate direction. e.g. LEFT / RIGHT.
9. ##Insert appropriate distance to the intersection. e.g. 250m.
10. Where only two lines of areas to be accessed are required, refer to TC2248_2.
11. Where place of interest names may be required to be longer the legend can be reduced to be 10% smaller.
