TC1337B	800	2100	100	100
TC1337C	1200	3100	150	150

Note:

A fluorescent target board should only be used for school zone signs when erected in conjunction with consistent colour warning signs. Its use also to be limited to locations where the standard school zone sign (TC9337) requires additional conspicuity (due to other competing signs or the presence of roadside vegetation).

Colour Legend

Retroreflective fluorescent orange (target board edge strip)
