	Black

Notes

1. This sign should be used to warn vessel masters of a specific potential obstruction within a waterway.
2. * The variable text field shall be populated according to the character or location of the obstruction.
3. The sign may only be erected at locations approved by Maritime Safety Queensland within the Department of Transport and Main Roads. Contact the nearest regional office of Maritime Safety Queensland for the approval process.
4. Maritime Safety Queensland shall decide appropriate sign sizes according to the character of the waterway.
