Notes

1. This sign is designed to remind vessel masters that they are about to leave smooth or partially smooth waters and to check their safety equipment.
2. The sign may only be erected at locations approved by Maritime Safety Queensland within the Department of Transport and Main Roads. Contact the nearest regional office of Maritime Safety Queensland for the approval process.
3. The sign should only be installed where contraventions of safety equipment obligations are a known compliance issue.
4. The sign should be installed within a short distance (typically 100-300 m) from the smooth or partially smooth waters limit, ideally on breakwaters to coastal bars.
