Notes:

1. This sign may only be used to sign rural cycling circuits following an official approach to the Main Roads Department from a cycling club that is affiliated with Cycling Queensland, Bicycle Queensland or Triathlon Queensland.
2. This sign should be displayed at the beginning of each section of the road on the circuit and repeated approximately every 5 km or just beyond significant intersections.
3. Only routes which are used regularly (at least once a week) by cycling groups should be considered for training route signage.

Colour Legend

- Black (legend and border)
- Retroreflective yellow (background)
