Notes

1. This sign must be installed in a multi message sign with TC1475 "ROAD CLOSED" for where a road has been closed, TC1808 "GROSS LOAD LIMIT" and TC1807 "LOAD INFORMATION" for where there are load limit restrictions and enforcement under S46 of the Transport Infrastructure Act 1994 is required.
2. Regional states should liaise with Transport Enforcement Officers and Queensland Police Service on sign locations prior to installation.
3. Refer to TC1800 for full signage layouts where this sign shall be used.
4. When used with TC1475 (ROAD CLOSED) barrier boards (TC9215) shall be placed across the road in conjunction with this sign. See TC1806 for layout details.
5. This notice (sign) permits enforcement of a road closure or road restrictions under Section 46 of the Transport Infrastructure Act 1994.
