

Colour Legend

- Retroreflective white
- Black

Notes

1. This sign shall be used to indicate the maximum permissible overall width in metres of a vehicle (including any vehicle load), on a section of road.
2. This sign to be erected at the start of a section of road where the restriction will apply.
3. Detour signs shall be erected at an appropriate intersection in advance of the section to divert overhead vehicles.
4. * Insert appropriate width in metres. e.g. 3.5
