

#### Notes

1. Sign may be placed in advance of an intersection which has a red light camera installed.
2. Install signs only at locations approved by the Queensland Police Service and Queensland Transport. Contact the Traffic Camera Office for approval process.
3. For locations where space is limited or it has been determined that sufficient sign education has occurred, then TC1736\_2 may be considered.
4. Edge strip comprises 25 mm x 25 mm blue and white checker.
5. Signs require a clear film overlay fitted to protect the signs from graffiti.

#### Colour Legend

- Black (symbol)
- Retroreflective red (symbol background)
- Retroreflective white (background)
- Retroreflective blue (symbols, legends & borders)
