

Notes:

1. This sign is to be used as a supplementary plate under high impact crash zone signs (refer to TC1558 or TC1559) where interim speed limit reductions have been adopted.
2. This sign cannot be installed without written approval from the Department of Transport and Main Roads, Engineering and Technology branch. Use of this sign requires permission from Executive Director (Safer Roads Infrastructure) via written application to TMR.Speed@tmr.qld.gov.au.
3. Special speed limit sign TC1797 shall be used in conjunction with this sign on a length of road where the speed limit is reduced in response to poor safety performance.
