

Notes:

1. This information sign is designed to be used in low speed environments. i.e. 80 km/h.
2. This information sign should not be erected at critical locations such as immediate approaches to intersections, merge points, sharp curves or crests, where distracting a driver's attention may be a hazard.
3. Plate 1 consists of a single image of Parthenium weed.
4. Plate 2 consists of an image of the Local Shire logo.

Colour Legend

- Retroreflective green (legend and border)
- Retroreflective white (background)
