Notes:

- * Speed limit can only be 30 or 40.
- A reinstatement Speed Restriction sign (R4-1) shall be installed to end the High Active Transport User Area speed zone.
- Supplementary Time Plate sign (TC2311_3 - refer page 3) may be used in conjunction with TC2311_1 sign where time-based High Active Transport User Area speed zones apply.
- In constrained situations where TC2311_1 sign cannot be installed, TC2311_2 sign (refer page 2) is to be used in conjunction with R4-1 sign.
- This is an optional sign that may be implemented in a High Active Transport User Area (HATUA) speed zone only. HATUA speed zones are determined through a speed limit review conducted in accordance with the requirements and procedure set out within TMR's MUTCD Part 4.

R4-1B

TC2311_2

Notes:

1. This supplementary plate is to be installed under Speed Restriction sign (R4-1B). Speed limit can only be 30 or 40.
2. This supplementary plate must only be used in constrained situations where the larger size (TC2311_1) cannot be installed.
3. Supplementary Time Plate sign (TC2311_4 - refer page 4) may be used in conjunction with TC2311_2 sign where time-based High Active Transport User Area speed zones apply.
4. A reinstatement R4-1 sign shall be installed to end the High Active Transport User Area speed zone.
5. This is an optional sign that may be implemented in a High Active Transport User Area (HATUA) speed zone only. HATUA speed zones are determined through a speed limit review conducted in accordance with the requirements and procedure set out within TMR's MUTCD Part 4.
