

ATTACHMENT DETAIL

(300 x 200 mm plates / sticker)

Colour Legend

Notes

1. This sign to be used on construction sites where construction and haulage vehicles are required to adhere to an area specific radio communication channel.
2. * Insert appropriate channel numbers. e.g 40.
3. Channel number may either be attached as a plate to the sign with hook type bolts assembly or attached directly as a retroreflective sticker.
4. If two UHF channels are required on the site refer to page 2 for details.
