■ Black

□ Retroreflective white

Notes:

1. This sign shall only be used in advance of a roadway that has been widened to allow for an overtaking opportunity with that treatment having no line marking or lane designations installed.
2. For locations where lane lines have been installed, the standard G9-37 / G9-38 or smaller options G9-37-Q01 / G9-38-Q01 should be used as required.
3. Size B should be the standard size utilised. However a size A sign option may be used where a smaller size sign is warranted or required.
4. For a "NEXT OPPORTUNITY" advance sign, refer TC1148.
5. * The distance could be '300 m' or '5 km'.
6. Refer TC1149 for installation details.
