Notes:

1. This sign shall only be used as an advance instruction to notify of an upcoming overtaking opportunity location where a roadway has been widened but has no line marking or lane designations installed.
2. For treated locations where lane lines have been installed, the standard G9-38 or G9-38-Q01 signs should be utilised as required.
3. Size B should be the standard size sign utilised. However a size A sign option may be used where a smaller size option is warranted or required.
4. * The distance could be '300 m' or '5 km'.
5. For overtaking site advance sign refer to TC1147.
6. Refer TC1149 for installation details.
