

### Colour Legend

- Retroreflective white
- Black

### Notes

1. This sign to be installed in advance of a small roundabout that is not conducive to U turns for longer vehicles and directs those longer vehicles to a more appropriate location.
2. # May vary to suit longer road name.
3. ## It is recommended that regulatory signs R1-3, R2-5 and TC1553 be installed at the small roundabout.
4. \* Insert appropriate road name e.g. GLENELLA RD.
5. \*\* Insert appropriate distance e.g. 1.
